COVID19 PRECAUTIONS

Due to the rapid spread of the COVID19 delta variant, we are asking that all field trip participants observe social distancing to the greatest extent possible. Unvaccinated participants are requested to wear masks.

GUIDELINES FOR FIELD TRIPS

TO MAKE OUR TRIPS MORE ENJOYABLE

1. Arrive a few minutes before the scheduled field trip. The time stated is the STARTING time, not the arrival time. This will give you time to sign the release form and be ready to go.
2. Check the monthly Observer for changes or corrections to the field trip schedule.
3. PLEASE NOTE: Field trips are subject to cancellation, rescheduling or relocation due to weather, habitat conditions or other circumstances. If there is constant rain, extreme hot or cold temperatures, ice or snow, you should contact trip leaders for the latest update on the trip. Also, trip leaders will post information about any changes on the birdky listserv. To look for updates, go to <http://birding.aba.org/maillistdigest/KY>. To subscribe, go to <https://www.freelists.org/list/birdky>.
4. Keep talking to a minimum and speak in hushed tones. Birds react to motion so minimize your movements.
5. Please stay with the leader. Do not go ahead of the leader(s) or lag behind.
6. If you need to use your cell phone, smoke, or have a long conversation be considerate of the other members on the trip and step away from the group.
