Dear Karen Bonsell,

We are grateful for your support of $1,750.00 on 11/3/2025 towards the Land Stewardship & Protection initiative. This assistance to Bernheim Forest & Arboretum reinforces our mission of *connecting people with nature.*

Bernheim strives to make nature accessible to all and provides unique opportunities to develop a deep connection to nature through outdoor art experiences, nature play, and a variety of terrains for our visitors to experience. Your support of Land Stewardship & Protection provides opportunities to sustain all the efforts at Bernheim.

We hope you visit frequently to enjoy nature and observe your support in action at Bernheim. If you have questions regarding your gift, please email Dr. Mark Wourms at mkwourms@bernheim.org.

Best Wishes,

Mark W

We greatly enjoy working with you and your support is very helpful for people and NATURE! Thanks again

Mark Wourms, Ph.D.
