Celebrating 50 YEARS Creasey Mahan Nature Preserve

October 29, 2025

Ms. Karen Bonsell
Birdathon Chairperson
Beckham Bird Club
PO Box 5301
Louisville, KY 40255-0301

Thank you!

Dear Ms. Bonsell,

Please accept my great appreciation for the Beckham Bird Club's grant of $1,805 to create a savannah habitat with birdhouses. The Executive Board and Staff of Creasey Mahan Nature Preserve are very grateful for your generous support and interest. We are very fortunate to have such good friends who support our mission as we build and support our community.

The Nature Preserve offers outstanding environmental programs to hundreds of children each year, sustains a wildlife refuge, preserves 200-year-old historic buildings, offers unique meeting places, recreational fields, and provides a scenic environment for families and individuals to connect with nature. With over 60,000 visitors last year, Creasey Mahan Nature Preserve is a favorite destination for many.

All of us at Creasey Mahan Nature Preserve thank you again for your generous support. Please visit our web site at www.KYNaturePreserve.org and social media pages to learn about our latest news and upcoming happenings.

Warm regards,

Tavia Cathcart Brown
