Thank you!

Dear Karen,

Thank you for your generous gift of $2,000.00 on 10/14/2025 to Josephine Sculpture Park, to preserve habitat, protect birds, and provide bird-specific education to visitors of all ages. Your gift will help JSP continue our mission's work to provide quality arts and nature programming to our entire community, for free, every day.

With your support, even *more* creative, collaborative and accessible opportunities for all people to explore JSP are under way! Visit our website, ***josephinesculpturepark.org*** to learn more and register for these upcoming events:

Red Oaks Forest School Art Club: All ages are welcome for an open art studio in nature, meeting at JSP on the second Saturday of every month in 2025.

Eco-Art Workshop on October 25: Not-a-Pumpkin with Berea College brings an afternoon of creativity and Fall fun. Enjoy an art and nature tour, then create a pumpkin sculpture with artist Heather Dent.

***Plus* New Art Installations:** *Lost & Found Farmscapes* photo exhibition by Linda Bruckheimer, new sculptures by Leticia Bajuyo (OK), Gordon Gildersleeve (KY), Antoinette Schultze (ME) and Dave Caudill (KY).

***More* Access:** Reserve a golf cart for your next visit. The park exhibits nearly 80 artworks over 40 acres. If you need mobility assistance, call or email to schedule yours today.

We hope you visit soon, and enjoy all that JSP has to offer!

Sincerely,

Melanie VanHouten
