Dear Friends:

Kentucky Natural Lands Trust gratefully acknowledges receipt of the recent grant of $2,250.00 given from the annual Birdathon event that we received on October 21, 2025. Your gift will safeguard biodiversity, stabilize the climate and support communities today and for generations to come.

Since 1995, KNLT has protected more than 59,000 acres of wildlands, with a focus on the Appalachian Highlands Wildlands Corridor. This vital corridor includes Pine Mountain and Cumberland Mountain where the forests and freshwater systems are among the most biodiverse on the planet. Protecting these wildlands is a local action with global significance.

Thank you for joining us in this important work. Together we are making the world more wild and wonderful.

Sincerely,

Greg Abernathy
Executive Director
