October 27, 2025

Dear Friends at Beckham Bird Club of Louisville, KY:

Thank you for your recent donation of $2,100 to Kentucky Resources Council on October 24, 2025.* We appreciate the grant awarded to our organization and the support of your membership in looking out for birds. Your club's support makes our work possible!

We are currently witnessing unprecedented assaults on sensible environmental policy, on well-established climate science, and on the agencies tasked with protecting our health and environment. We deeply appreciate you standing with us as we fight back against anti-environmental agendas and work to protect Kentucky's natural resources for generations to come. Just as we have for the last forty years, we will use the power of the law to defend front-line communities, hold polluters accountable, and protect the places we live and love.

Kentucky Resources Council remains the only statewide provider of free legal services to those impacted by environmental damage and pollution. Thank you for your support of this vital work. We hope you will stay engaged and continue to stand with us in protecting Kentucky's land, air, water, and communities.

With gratitude,

Ashley Wilmes

Thank you!

Ashley Wilmes
Executive Director
