Dear Karen:

As a visitor-and-donor supported public park, The Parklands receives no tax dollars for annual operations and relies on the generosity of donors like you to maintain over 4,000 acres of parkland, offer exceptional programming, and ensure our parks remain safe, clean, fun, and beautiful — 365 days a year, free of charge.

Celebrated as a favorite destination for locals and visitors alike, The Parklands draws people from all corners of Louisville and beyond for respite, recreation, exploration, and discovery. Each year, nearly 4 million visits are made to the park, contributing to a total of over 33 million visits since its inception.

Your generous gift of $1,750.00, received on October 17, 2025, in support of the S.E.E.D. education program. This gift plays a vital role in allowing us to continue serving as a treasured asset and enhancing the quality of life throughout our community.

In The Parklands 2025 Annual Report, you will be recognized as, "Beckham Bird Club of Louisville". If you would prefer to be recognized differently, kindly let us know.

There's always something exciting happening at The Parklands. To stay updated on the latest news and events, visit our website at www.TheParklands.org. If you have any questions, please contact Taylor Nord, Database Manager, at tnord@theparklands.org.

Thank you for your invaluable support of The Parklands of Floyds Fork, and I hope to see you in the parks soon!

With gratitude,

Thank you for your support!

Samuel Stewart
Vice President of Development & Administration
