Dear Karen,

"Flowers always make people better, happier, and more helpful; they are sunshine, food and medicine for the soul." – Luther Burbank

That's what we think here at Yew Dell! We're thrilled you've chosen to support us and appreciate your incredibly generous donation of $1,000.

Because of your kind gift, we're able to care for our spectacular gardens, grow new and exciting plants in our Greenhouse, hold weekly education programs for young kids, and host special events for local families – all things that enrich our lives and our community. Your support means a great deal to us.

Again, we very much appreciate your support of Yew Dell and look forward to seeing you in the gardens soon.

Sincerely yours,

T.J. Slaughter
Director of Development
